MARSHALL COUNTY SHORTHORN BREEDERS

Sixty-seventh

Auction Sale

Marshalltown Sales Barn

Marshalltown - - Iowa

Announcement

The 67th Auction Sale of the Marshall County (Iowa) Shorthorn Breeders Association.

Few breed associations of any sort survive the years to attain the record of sixty-seven public offerings. In fact, we claim without fear of successful contradiction that we are the oldest Shorthorn group in America selling cattle over the block every year, in boom times or bad times, during War or Peace.

Through the years we have distributed many choice cattle which have done much toward raising the average of bovine excellence in this agricultural region. However, among all of these many good offerings of this popular breed of cattle few, if any, could exceed in value the group that has been assembled for this event.

All of the bulls are of good quality and most of them are choice. There are a dozen bulls in the list good enough to be to top seller in the average auction. If you need a real good bull of rich breeding don't fail to inspect this offering.

The females are also of high average quality and many cows with calves at foot.

The best of blood-lines are to be found in this catalog. We cordially invite all interested in good cattle to attend this sale.

SHOW

A show will be held at 10 A. M. showing for trophies furnished by the American Shorthorn Breeders Association. The Judge will be A. J. Blakely of Grinnell. Plan to come early and watch the show.

FREE FREIGHT OFFER

The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

Terms and Conditions of Sale

It will be held on Monday, January 31, at 1:00 o'clock. Intersecting highways make Marshalltown easy of access from all parts of Iowa and adjoining states. It is also on the main line of the Northwestern, Great Western and the M. & St. L. railroads. Marshalltown is 290 miles west of Chicago, 197 east of Omaha and 275 northeast of Kansas City.

TERMS—Cash, settlement to be made with clerk of the sale immediately at the conclusion of the auction. All animals will be at buyer's risk as soon as bid off, but will be cared for and loaded on cars or trucks in compliance with instructions from purchaser. Care will be taken to avoid accident but will not be responsible should any occur.

GUARANTEE—All cattle have passed test for both Bangs and Tuberculosis. Health certificates will be furnished to enable these cattle to go into any state or territory. Bulls are guaranteed breeders if not used for service before they are 14 months of age and if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and purchase price refunded. All cows with calves at foot and those showing evidence of being with calf at time of sale are considered breeders, and no further guarantee is made with respect to them. All heifers under 16 months old and not yet bred, are sold open and at buyers risk. All other cows and all heifers over 16 months old at time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's cost of transportation.

True-Type's Leader—The first calf by Goldfinder's Tru-Type, and I believe he is the best prospect for a herd bull I have ever offered at Marshalltown. He is almost the image of his sire, in color and conformation. Deep-bodied and thick, from end to end, plenty of bone and a nice masculine head; exceptionally straight in both top and bottom lines, he is put together so that he will stay that way as he grows older. Don't pass up this calf on account of his age; if you can use him within the next year. His younger brothers, by Goldfinder's Tru-Type, at home look equally as good and some are better. His dam is the granddam of the top bull sold a year ago here at Marshalltown.

HELFRID BAPTON MAJOR 2251801

Braywood Sunray—A truly impressive grandson of the International Grand Champion, Sunray. Look him over closely. He has a powerful head and shoulders, a world of smooth, deep, natural fleshing, thickness and depth of body, and a rear end that is a real rear end. For over-all balance this fellow is mighty hard to beat. The opportunity to buy him is yours because we have used him extensively and are retaining his daughters in the herd. He was Grand Champion at the Southern Iowa Fair in 1946 and 1947 over strong competition.

Our Female Offering

Twenty three lots comprise the female offering in the sale and you will find them unusually attractive, both in form and pedigree.

There are several good cows with fine calves at foot and also a few choice heifer calves that rank high as pure-bred heifer club prospects.

Don't fail to inspect this offering if you want herd improving Shorthorns.
